CONTENTS

Torres-Henderson Education Resources, LLC (T-H-E) is an educational supplier, publisher and retailer of educational English and Spanish games, books, school supplies and materials for the U.S.A school system. Operated out of Arlington, Texas, we are a minority, women and bilingual educator-owned company primarily focused on language acquisition products. We teach Spanish and English--now featuring other languages with the sale of our materials!

All materials featured in the Ample Street Kit: Kit de la calle Amplia support and promote the Science of Reading by engaging students in interactive and skills-building concepts in Language Arts, Science, Social Studies, and Art Connection to the current reading adoptions (correlations to Amplify available). Formulated for whole-group mini-lessons or independent learning and divided into domains to match the thematic units of instruction currently recommended by Texas Education Agency. This kit is based on Texas State Standards - TEKS.

OUR PROMISE

Authentic Spanish
Dual Language
English Learners
Bilingual

Connections kits and mini-domain kits are available for sale in complete grade-level sets, or also sold by the domain. Select what works best for you!

No Lesson Plans Required!

We take the abstract and move it to the concrete with these supplemental components enhancing the instruction of the Science of Reading!
